Dear Premium Partner,

With our new partnership it is our aim to support and enable you to sell our LD Systems products in the best way possible.

Depending on your available space in your local store we have implemented different solutions. This brochure should help you creating the perfect environment to display our products and to make your visitors feel comfortable while enjoying your employee's expertise during their sales presentation.

For online solutions please use our <u>Media portal</u> to find images, product information and relevant content for your web shop, Social Media channels or newsletters.

Any material you are missing, any ideas you want to discuss, please get in touch with us via premiumpartner@adamhall.com or talk to your respective sales representative – we are here for you.

Produktinformationen - LD Systems MAUI 5 portable PA System

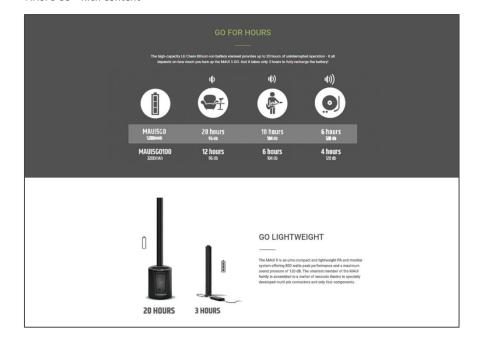

Ultra-leicht und ultra-kompakt

Das kompakte Säulen System MAUI 5 von LD Systems bietet eine hohe horizontale Reichweite und schnellen kabellosen Aufbau. Hervorragend für den mobilen Einsatz und unauffällige Installationen. LECC Digital Verarbeitung für ausgeglichenen, dynamischen Klang.

Das MAUIS ist eine ultraleichte und kompakte Säulen PA die mit 800W Spitzenleistung. Der Aufbau der LD Systems MAUI Systeme geht dank spezieller MultiPIN Steckverbindungen blitzschneil von der Hand; Peripherie wie Kabel oder Stative werden hier nicht benötigt. Durch die spezielle Anordnung der Mid/High-Range Speaker, ergibt sich zudem ein ertz weiter hortourlaher Abstrahlwinkel von 120°; der es erlaubt, auch große und weite Räume effektiv zu Beschallen. Egal von welcher Hörerposition im Raum - es wird das komplette Frequenzspektrum abgebildet und somit überall eine ausbalandertes Soundperformance erreicht.
